Partner with Lawline for Your Learning & Development Needs

→ CLE THAT HELPS YOUR ATTORNEYS GROW

Access to 1,800+ courses, including industry leading DEI and well-being content, to help your attorneys reach their full potential.

→ SEAMLESS MANAGEMENT

Make it easy to manage CLE compliance. Our enterprise platform offers customized reports, personalized firm branding, custom learning paths, integration with third-party CLE trackers (such as Micron), and single sign-on access.

→ PERSONALIZED SERVICE

Your dedicated customer success manager handles your day-to-day requests, while your personal program attorney is available to discuss your firm's content needs.

→ AWARD-WINNING APP

Help your attorneys take advantage of their time more effectively. With the Lawline app for Android and iPhone, they can access courses from anywhere, even offline.
